**CASE REPORT****NARRATIVE**

Missing Person  
Officer Mades #389  
Case #17-7631

On 3-4-17 I was working uniform patrol in the City of Kirkland, County of King, State of Washington. At approximately 1921 hours I was dispatched to an Escape at Fairfax Hospital (10200 NE 132<sup>nd</sup> St. Kirkland, WA 98034). The RP, [REDACTED] (RN), stated a patient, [REDACTED] had escaped the hospital by climbing over the north fence and ran away from the hospital. We were later informed the subject was Involuntarily Committed to the Hospital for a 72 hour hold and was due to see a mental health court judge on 3-6-17. The description, of blue shirt and green shorts, was given of what [REDACTED] was last wearing. I ran [REDACTED] through WACIC/NCIC and received a DOL photo of [REDACTED]

Several officers and I did an area check for [REDACTED] however we were unable to locate him. I went back to Fairfax Hospital and contacted [REDACTED]. [REDACTED] informed me [REDACTED] was ITA'd for a 72 hour hold and gave me a copy of the court documents for the hold. Copies were made and included into the case. In the documents it stated [REDACTED] was psychosis/delusional and suicidal (stating he was going to jump off a bridge). The report also stated [REDACTED] uses cocaine, methamphetamine, and marijuana. It was decided since [REDACTED] was not located that he was be entered as a Missing/endangered person. [REDACTED] signed the fill out Missing Person Report stating [REDACTED] is still a danger to himself.

[REDACTED] lives on the east side of the mountains and has no ties to the area. I contacted [REDACTED]'s mother, [REDACTED] and informed her of the situation. I asked her to contact us if [REDACTED] tries to contact her.

I faxed the Missing Person Report to Norcom who entered [REDACTED] as missing. I again checked [REDACTED] through WACIC/NCIC and confirmed he was entered as a missing person. I filled out a missing person's bulletin and placed it in the briefing room.

Case opened until found.
